

Branch	Department	Quota	Learning Skill 1	Learning Skill 2	Learning Skill 3	Learning Skill 4	Learning Skill 5	Learning Skill 6	Learning Skill 7	Learning Skill 8	Learning Skill 9
Linkou	Department of Surgery, Division of General Surgery	(depend)	Hepatobiliary and pancreatic surgery	Liver transplantation surgery	Bariatric surgery	Breast Surgery					
Linkou	Department of Surgery, Division of Thoracic Surgery	(depend)	Robotic surgery	Minimal invasive thoracic surgery	Lung transplantation						
Linkou	Department of Surgery, Division of Cardiovascular Surgery	(depend)	Valve surgery	Aortic surgery	Aortic stent surgery	TAVI					
Linkou	Department of Surgery, Division of Neurosurgery	(depend)	Brain tumor surgery	Endovascular intervention	High cervical surgery						
Linkou	Department of Surgery, Division of Plastic Surgery	(depend)	Craniofacial plastic surgery	Trauma Plastic Reconstructive	General Plastic Surgery and Burn Center	Plastic Reconstructive Microsurgery					
Linkou	Department of Surgery, Division of Transplant & General Urology	(depend)	Urethral stricture reconstruction	Kidney transplantation	Endoscopic urolithiasis surgery						
Linkou	Department of Surgery, Division of Geriatric Urology	(depend)	Prostate laser surgery	Prostate enucleation	Robotic urological reconstruction						
Linkou	Department of Surgery, Division of Andrology and Female Urology	(depend)	Surgery for stress urinary incontinence and pelvic floor reconstruction								
Linkou	Department of Surgery, Division of Uro-Oncology	(depend)	Robotic radical prostatectomy with neurovascular preservation	HIFU for localized prostate cancers	Robotic partial nephrectomy	Robotic cystectomy with total intracorporeal reconstruction					
Linkou	Department of Surgery, Division of Colon & Rectal surgery	(depend)	Robotic Colorectal Surgery	Advanced application of colonoscopy, ESD, EMR, colonic stent.	Pelvic floor disease						
Linkou	Department of Surgery, Division of Trauma and Emergency Surgery	(depend)	Acute Abdomen	Chest and abdominal trauma	Critical Care						
Linkou	Department of Surgery, Division of Pediatric Surgery	(depend)	Neonatal Surgery	Laparoscopic Surgery							
Linkou	Department of Orthopaedic Surgery, Division of Spinal Surgery	(depend)	Spinal deformity surgery	Minimally invasive spine surgery							
Linkou	Department of Orthopaedic Surgery, Division of Joint Reconstruction	(depend)	Minimally invasive hip/knee arthroplasty	Complex revision hip/knee arthroplasty	Periprosthetic joint infection treatment						
Linkou	Department of Orthopaedic Surgery, Division of Sports Medicine	(depend)	Shoulder, elbow, wrist, knee, hip, ankle arthroscopy	Shoulder, elbow, wrist, knee, hip, ankle arthroplasty							
Linkou	Department of Orthopaedic Surgery, Division of Orthopedic Trauma	(depend)	Precise Orthopedic Trauma Treatment	Pelvic/Acetabular Fracture Reconstruction	Periprosthetic Fracture Treatment						
Linkou	Department of Orthopaedic Surgery, Division of Pediatric Orthopedics	(depend)	Orthopedic surgery for pediatric neurogenic deformities	Surgery for all kinds of pediatric limb deformity	Pediatric fracture management						
Linkou	Department of Obstetrics and Gynecology, Division of Reproductive Endocrinology and Infertility	(depend)	Reproductive Surgery	Assisted Reproductive Technology	Fertility Preservation	Basic and Clinical Reproductive Research					
Linkou	Department of Obstetrics and Gynecology, Division of Obstetrics	(depend)	Fetal therapy	High risk pregnancy							
Linkou	Department of Obstetrics and Gynecology, Division of Gynecologic Oncology	(depend)	Laparoscopic staging surgery for endometrial cancer )	Radical surgery for gynecological cancer	Cytoreduction surgery for ovarian cancer	Hyperthermic intraperitoneal chemotherapy	Multidisciplinary team in gynecological cancer care				
Linkou	Department of Obstetrics and Gynecology, Division of Endoscopy	(depend)	Laparoscopic Surgery	Hysteroscopic Surgery	NOTES Surgery						
Linkou	Department of Obstetrics and Gynecology, Division of Urogynecology	(depend)	Anti-incontinence Surgery	Pelvic Floor Reconstructive Surgery							

Branch	Department	Quota	Learning Skill 1	Learning Skill 2	Learning Skill 3	Learning Skill 4	Learning Skill 5	Learning Skill 6	Learning Skill 7	Learning Skill 8	Learning Skill 9
Linkou	Department of Ophthalmology, Division of Oculoplasty	(depend)	Orbital tumor	Ocular reconstructive surgery	Eyelid and lacrimal surgery						
Linkou	Department of Ophthalmology, Division of Glaucoma	(depend)	Trabeculectomy	Selective laser trabeculoplasty	Glaucoma treatment						
Linkou	Department of Ophthalmology, Division of Retina	(depend)	Micro-incisional retinal surgery	Uveitis	Retinopathy of Prematurity	Macular surgery	Optic nerve diseases				
Linkou	Department of Ophthalmology, Division of Cornea	(depend)	Cornea transplant surgery	Steven-Johnson syndrome	Laser refractive surgery						
Linkou	Department of Otolaryngology, Division of Head and Neck Cancer	(depend)	Head and neck cancer surgery	Robotic surgery in head and neck cancer	Laser surgery in laryngeal cancer						
Linkou	Department of Internal Medicine, Division of Geriatric Medicine and General Internal Medicine	(depend)	Geriatric Acute Care and Comprehensive geriatric assessment								
Linkou	Department of Internal Medicine, Division of Gastroenterology	(depend)	Inflammatory bowel disease	Fecal microbiota transplantation	Therapeutic endoscopy	Bariatric endoscopy	Endoscopic ultrasonography	Enteroscopy			
Linkou	Department of Internal Medicine, Division of Hepatology	(depend)	Clinical hepatology, including hepatitis , cirrhosis, hepatocellular carcinoma, NASH, fatty liver								
Linkou	Department of Internal Medicine, Division of Thoracic Medicine	(depend)	Sleep Medicine	Bronchoscopy/Pleuroscopy	Pulmonary Rehabilitation	Critical Care Medicine					
Linkou	Department of Internal Medicine, Division of Hematology & Oncology	(depend)	Hematopoietic Stem Cell Transplantation	Clinical Oncology	Palliative Care[for Nurse]						
Linkou	Department of Internal Medicine, Division of Nephrology	(depend)	Kidney Biopsy	Kidney Ultrasound	Hemodialysis	Peritoneal Dialysis					
Linkou	Department of Internal Medicine, Division of Endocrinology and Metabolism	(depend)	Thyroid Radiofrequency/Microwave ablation	Thyroid Ethanol ablation	Diabetic foot intervention and treatment						
Linkou	Department of Internal Medicine, Division of Cardiology	(depend)	Complex Percutaneous Coronary Intervention	Complex arrhythmia ablation and 3D mapping	Cardiac Implantable Electronic Device Implantation	Advanced echocardiography					
Linkou	Department of Internal Medicine, Division of Infectious Diseases	(depend)	Clinical infectious diseases	Infecton control	Clinical microbiology						
Linkou	Department of Psychiatry, Division of Child and Adolescent Psychiatry	(depend)	Autism Integrated Care Program	Pediatric Sleep Medicine	Child and Adolescent Psychiatry						
Linkou	Department of Psychiatry, Division of Geriatric Psychiatry	(depend)	Interdisciplinary care of older adults with major depressive disorder	Psychotherapy, cognitive behavioral therapy							
Linkou	Department of Psychiatry, Division of Psychosomatic Medicine	(depend)	Sleep Medicine								
Linkou	Department of Dermatology, Division of Immunodermatology	(depend)	Psoriasis	Drug Allergy and Adverse Drug Reaction to Cancer Therapy	Autoimmune Skin Disease )	Atopic Dermatitis and Urticaria )					
Linkou	Department of Dermatology, Division of Dermatologic Surgery	(depend)	Skin Tumor	Nail Surgery	Vitiligo and Pigment transplantation	Varicose Vein	Bromhidrosis Surgery	Hair Transplantation			
Linkou	Department of Dermatology, Division of General Dermatology	(depend)	Pediatric Dermatologic Disease	Infectious and Hair Disease							
Linkou	Department of Physical medicine and Rehabilitation	(depend)	Pediatric rehabilitation	Musculoskeletal disorder and sport medicine	Neurologic rehabilitation	Geriatric rehabilitation: sarcopenia and cardiopulmonary rehabilitation					
Linkou	Department of Anesthesiology	(depend)	Organ transplant anesthesia	Pediatric anesthesia	Neurosurgical anesthesia						

Branch	Department	Quota	Learning Skill 1	Learning Skill 2	Learning Skill 3	Learning Skill 4	Learning Skill 5	Learning Skill 6	Learning Skill 7	Learning Skill 8	Learning Skill 9
Linkou	Department of Medical Imaging and Intervention, Division of General Radiology	(depend)	Tumor ablation and starch embolization	Interstitial Lung Disease	Hyperpolazried 13C MRI						
Linkou	Department of Medical Imaging and Intervention, Division of Neuroradiology	(depend)	Interventional Neuroradiology								
Linkou	Department of Medical Imaging and Intervention, Division of Emergency and Critical Care Radiology	(depend)	Emergency Radiology	Pediatric Radiology	Urologic Radiology	Musculoskeletal Radiology					
Linkou	Department of Radiation Oncology, Proton and Radiation Therapy Center	(depend)	Proton therapy								
Linkou	Department of Nuclear Medicine, Division of Nuclear Medicine	(depend)	Theranostic radionuclide	Molecular imaging							
Linkou	Department of Anatomic Pathology, Division of Anatomic Pathology	(depend)	Gastrointestinal and Hepatic Pathology	Surgical Pathology							
Linkou	Department of Laboratory Medicine, Division of Laboratory Medicine	(depend)	Molecular diagnostics	Clinical immunology							
Linkou	Department of Traditional Chinese Medicine, Division of Internal Medicine and Pediatrics	(depend)	Myofascial Pain, sciatica, arthritis, and bursitis	Cerebral palsy	Sequelae of cerebral vascular accident	Sequelae of traumatic brain injury and spinal cord injury	Subluxation and dislocation	Post-orthopedic surgery care			
Linkou	Department of Traditional Chinese Medicine, Division of Acupuncture & Chinese Orthopedic Traumatology	(depend)	Allergic diseases	Integrative Cancer Care	Intrigative care: chronic kidney diseases	Systemic autoimmune diseases	Body weight control	Dermatologic diseases	Integrative care of functional gastrointestinal diseases	Integrative care of insomnia and mental disorders	Childhood growth and development care
Linkou	Department of Traditional Chinese Medicine, Division of Gynecology	(depend)	Uterine fibroids and endometriosis	Menopausal symptoms and premenstrual syndrome	Abnormal menstrual periods, Amenorrhea	Postpartum care, including recovery from delivery and mastitis)	Polycystic ovary syndrome	Ovulatory disorders			
Linkou	Department of Pediatrics, Division of Pediatric Gastroenterology	(depend)	Pediatric Gastroenterology								
Linkou	Department of Pediatrics, Division of Pediatric Pulmonology	(depend)	Pediatric Pulmonology								
Linkou	Department of Pediatrics, Division of Pediatric Hematology & Oncology	(depend)	Pediatric Hematology & Oncology								
Linkou	Department of Pediatrics, Division of Pediatric Nephrology	(depend)	Pediatric Nephrology								
Linkou	Department of Pediatrics, Division of Pediatric Endocrinology & Genetics	(depend)	Pediatric Endocrinology & Genetics								
Linkou	Department of Pediatrics, Division of Pediatric Cardiology	(depend)	Pediatric Cardiology								
Linkou	Department of Pediatrics, Division of Pediatric Allergy, Asthma & Rheumatology	(depend)	Pediatric Allergy, Asthma & Rheumatology								
Linkou	Department of Pediatrics, Division of Pediatric Neurology	(depend)	Pediatric Neurology								
Linkou	Department of Pediatrics, Division of Pediatric Infectious Diseases	(depend)	Pediatric Infectious Diseases								
Linkou	Department of Pediatrics, Division of Neonatology	(depend)	Neonatology								
Linkou	Department of Pediatrics, Division of Pediatric Critical Care Medicine	(depend)	Pediatric Critical Care Medicine								

Branch	Department	Quota	Learning Skill 1	Learning Skill 2	Learning Skill 3	Learning Skill 4	Learning Skill 5	Learning Skill 6	Learning Skill 7	Learning Skill 8	Learning Skill 9
Linkou	Department of Pediatrics, Division of General Pediatrics	(depend)	General Pediatrics								
Linkou	Department of Dentistry, Division of Craniofacial Orthodontics	(depend)	Craniofacial Orthodontics								
Kaohsiung	Department of Internal Medicine, Division of Rheumatology	(depend)									
Kaohsiung	Department of Internal Medicine, Division of Gastroenterology and Hepatology	(depend)									
Kaohsiung	Department of Internal Medicine, Division of Cardiology	1 person for each skill	percutaneous coronary intervention	cardiovascular implantable electronic devices implantation	catheter ablation of arrhythmia						
Kaohsiung	Department of Dentistry, Division of Dentistry	(depend)	All-on-4	Orthognathic surgery							
Kaohsiung	Department of Surgery, Division of General Surgery	Unlimited	Living Donor Liver Transplantation								
Kaohsiung	Department of Surgery, Division of Plastic Surgery	(depend)									
Kaohsiung	Department of Surgery, Division of Urology	(depend)									
Kaohsiung	Department of Surgery, Division of Thoracic and Cardiovascular Surgery	(depend)									
Kaohsiung	Department of Surgery, Division of Colon & Rectal surgery	(depend)									
Kaohsiung	Department of Orthopaedic Surgery, Division of Spinal Surgery	1 person/year	Spine surgery								
Kaohsiung	Department of Orthopaedic Surgery, Division of Sports Medicine	1 person/year	Arthroscopic surgery								
Kaohsiung	Department of Orthopaedic Surgery, Division of Joint Reconstruction	1 person/year	Joint replacement surgery								
Kaohsiung	Department of Obstetrics and Gynecology, Division of Reproductive medicine	1 person/year	random-start ovarian stimulation protocol for cancer fertility preservation	blastocyst culture and embryo vitrification							
Kaohsiung	Department of Obstetrics and Gynecology, Division of Gynecologic Oncology	1 person/year	Robotic surgery in gynecologic oncology	Chemotherapy and immunotherapy molecular medical sciences	Molecular medical science						
Kaohsiung	Department of Obstetrics and Gynecology, Division of Gynecology	1 person/year	Pelvic reconstruction, Transvaginal or L'scopy or Robotic	Natural orifice transluminal endoscopic operation							
Kaohsiung	Department of Pediatrics, Division of Pediatrics	(depend)	Kawasaki disease	Pediatric Gastroenterology							
Kaohsiung	Department of Otolaryngology, Division of Head and Neck Surgery	1 person/year	Head and neck cancer surgery	Parotidectomy							
Kaohsiung	Department of Otolaryngology, Division of Otology	1 person/year	Cochlear Implant								
Kaohsiung	Department of Otolaryngology, Division of Laryngology	1 person/year	Sleep Apnea Surgery								
Kaohsiung	Department of Anesthesiology	(depend)									

Branch	Department	Quota	Learning Skill 1	Learning Skill 2	Learning Skill 3	Learning Skill 4	Learning Skill 5	Learning Skill 6	Learning Skill 7	Learning Skill 8	Learning Skill 9
Kaohsiung	Department of Psychiatry	1-2 people/year	Repetitive transcranial magnetic stimulation								
Kaohsiung	Department of Physical medicine and Rehabilitation, Occupational Therapy	(depend)	Pediatric rehabilitation	Hand Rehabilitation	SPLINTING & ORTHOSIS	Work Rehabilitation					
Kaohsiung	Department of Laboratory Medicine, Division of Laboratory Medicine	1-2 people/year	Management of Quality and Certification of Medical Laboratory	Liquid Chromatograph/Mass Spectrometer/Mass Spectrometer; LC/MS/MS	Multi-color Flow Cytometry	Laboratory Intellance Workflow System	Precision Medicine				
Kaohsiung	Department of General Radiology	2 people/year	Liver transplantation image and interventional radiology								
Kaohsiung	Department of Neuroradiology	(depend)	Thyroid thermal ablation								
Kaohsiung	Department of Radiation Oncology, Proton and Radiation Therapy Center	12 people/year	3D Navigation Proton Beam Radiotherapy								
Kaohsiung	Department of Neurology	(depend)	Deep Brain Stimulation	Parkinson' s Disease							
Kaohsiung	Department of Pharmacy	3 people/year	ICU Pharmaceutical Care								
Kaohsiung	Department of Nutrition Therapy	3 people/year	Ketogenic Diet for Kids	Nutrition for the Older Adult	Nutrition Support in Critical Care						
Kaohsiung	Department of Respiratory Therapy	6-8 people/year	Respiratory care for lung transplantation	Respiratory Care for Pediatric	Respiratory care for ventilator-dependent patients	Pulmonary rehabilitation	Respiratory care for asthma and chronic obstruction pulmonary diseases				
Kaohsiung	Department of Diagnostic Radiology	6 people/year	Computed tomography	Magnetic resonance imaging	Nuclear medicine	Radiation Therapy Oncology					
Chiayi	Department of Internal Medicine, Division of Gastroenterology and Hepatology	1 person	ERCP								
Chiayi	Department of Internal Medicine, Division of Thoracic Medicine	1 person									
Chiayi	Department of Anesthesiology	Up to 2 people									
Chiayi	Department of Obstetrics and Gynecology	1 person	Da Vinci Surgery	Single-Incision Laparoscopic Surgery	Natural Orifice Transluminal Endoscopic Surgery	Hyperthermic Intraperitoneal Chemotherapy	Minimally Invasive Surgery	High-level Obstetric Ultrasound			
Chiayi	Department of Surgery, Division of Plastic Surgery	1 person	cleft lip and palate	Microtia surgery							
Chiayi	Department of Surgery, Division of Colon & Rectal surgery	1 person	da Vinci surgery								
Chiayi	Department of Surgery, Division of Thoracic and Cardiovascular Surgery	Up to 1 person/month	arteriovenous fistula operation	Aortic stent surgery							
Chiayi	Department of Surgery, Division of Urology	Up to 1 person/month	Retroperitoneal laparoscopic adrenalectomy, nephrectomy, nephroureterectomy	Retroperitoneal robot-assisted adrenalectomy, nephrectomy, nephroureterectomy							
Keelung	Department of Internal Medicine, Division of Cardiology	(depend)	Coronary artery spasm	Coronary intervention	Echocardiography	Heart Failure Center					
Keelung	Department of Internal Medicine, Division of Nephrology	(depend)	CKD care								
Keelung	Department of Surgery, Division of General Surgery	(depend)									

Branch	Department	Quota	Learning Skill 1	Learning Skill 2	Learning Skill 3	Learning Skill 4	Learning Skill 5	Learning Skill 6	Learning Skill 7	Learning Skill 8	Learning Skill 9
Keelung	Department of Surgery, Division of Urology	(depend)									
Keelung	Department of Surgery, Division of Neurosurgery	(depend)									
Keelung	Department of Surgery, Division of Colon & Rectal surgery	(depend)									
Keelung	Department of Surgery, Division of Plastic Surgery	(depend)									
Keelung	Department of Orthopaedic Surgery, Division of Spinal Surgery	(depend)	Minimally Invasive Reconstructive Surgery for Spine Fractures	Endoscopic surgery	Radio treatment for sciatica						
Keelung	Department of Orthopaedic Surgery, Division of Sports Medicine & Orthopedic Trauma	(depend)	Minimally invasive endoscopic hip surgery	Pelvic Fracture Reconstructive Surgery							
Keelung	Department of Pediatrics	(depend)									
Keelung	Department of Neurology	(depend)									
Keelung	Department of Ophthalmology	(depend)									
Keelung	Department of Diagnostic Radiology	(depend)									
Keelung	Department of Radiation Oncology	(depend)									
Keelung	Department of Nuclear Medicine	(depend)									
Keelung	Department of Emergency Medicine	(depend)									
Keelung	Department of Family Medicine	(depend)									
Taoyuan	Department of Surgery, Division of Plastic Surgery	Less than 6 months : 12 observers/year One-year training : 6~7 fellows/year	Cleft lip and palate surgery	Microtia surgery	Orthognathic surgery						
Taoyuan	Sleep Center	Up to 2 people/month	Sleep apnea	Sleep disorder							
Tucheng	Department of Neurology	Up to 1 person/year	Dementia diagnosis and treatment								
Tucheng	Department of Obstetrics & Gynecology	(depend)	POCUS in Obstetrics	Robotic surgery	Gynecology endoscopy	LASER in urogynecology	Community health care
